International Securities Transfer Request Form

Please complete this form to transfer your existing holding/s from another broker or registry to your nabtrade International Trading Account. Please use black or blue pen and write in CAPITALS. The below criteria must be satisfied before an international transfer can be completed.

Checklist for international transfers:

 The securities are electronically registered and are currently with a broker/registry who can complete international transfers. Stock to be transferred is tradeable with nabtrade – We support US, UK, German and Hong Kong markets across the NYSE, AMEX, NASDAQ, LSE, Xetra and HKEx exchanges. This can be confirmed by typing your security into the nabtrade order pad and confirming it appears. You have the ISINs (International Security Identification Numbers) for the securities. Attached recent copies of International Holding Statement(s). The securities are being transferred into an account with the same name and legal entity type – i.e. there is no change in beneficial or legal ownership. The international trading account with nabtrade has been activated and unrestricted. All security holders requesting the share transfer have signed this document. For Joint Accounts both holders of the account are required to sign using a wet signature. For Company Accounts with two or more directors, either both directors sign, or one director and the company secretary sign.
