

HOW TO TURN ON NABTRADE'S LIVE PRICING

video transcript

nabtrade provides powerful tools to find and evaluate your investments, like free ASX streaming data – which means there are no delays in getting stock pricing information.

Step One: Log into nabtrade using your User ID and Password.

Please note this is only available for domestic markets.

Step Two: Search for a stock using either the company name or ASX code in the Search bar.

Step Three: Click on streaming

Once you've navigated to any stock page, simply click on Streaming OFF to turn on real-time streaming.

The streaming button can be found on any stock page.
